I-DRIVE DISTRICT GUIDE

I-Drive District Guide

Since the inception of the I-Drive Business Improvement District (District) in 1992, we have been a strong voice for all I-Drive District stakeholders to state and local government to ensure that the best interests of our dynamic destination are being heard. All of the businesses located within the boundaries of the District (pg. 8) are considered District Partners. This Guide was created specifically to provide details on the benefits and opportunities that are available to the District Partners.

We encourage businesses to take advantage of the District programs and to attend the regularly scheduled board meetings. These meetings are open to the public to provide details on the day-to-day operations of the District. Information on activities and meetings can be found at IDriveDistrict.com.

For additional copies of this Guide, please contact us at 407-248-9590 or email your request to info@IDriveDistrict.com.

Sincerely,

Luann Brooks
Executive Director

About The I-Drive Business Improvement District

The I-Drive Master Transit & Improvement District was created on November 10, 1992 as the I-Drive Business Improvement District (District) under a public-private partnership between the I-Drive District business community, Orange County Government and the City of Orlando. The District is a geographically defined area in which services, activities and programs are paid for through a special assessment which is charged to all commercial businesses within the District boundaries in order to equitably distribute the benefits received and the costs incurred to provide specialized services over and above what is provided by local governments.

The District was created to answer the need to provide services such as transportation, capital improvements, public safety, marketing, promotions, clean teams, street scape enhancements and representation to state & local governments. This contributes to the current and future economic development of International Drive.

The I-Drive District represents \$12.6 Billion in Gross Taxable Land Value on the 2023 tax roll according to the Orange County Property Appraisers report. This represents 6.2% of all taxable value in Orange County.

The District Governing Board

The Board is comprised of three members of local government: two members from Orange County and one member from the City of Orlando. Current Board members are:

Chairperson:
The Honorable Jerry Demings
Orange County Mayor

Orange County:
Commissioner Mike Scott
Orange County - District 6

City of Orlando:
Commissioner Bakari F. Burns
City of Orlando - District 6

The District Advisory Board

The District is served by a five-member Advisory Board: three members are appointed by Orange County and two are appointed by the City of Orlando. Members must be an I-Drive District property owner, an owner-appointed representative, or an employee of a property owner.

I-Drive Business Improvement District Geographic Boundaries

Municipal Service Taxing Units (MSTU) Maps

The I-Drive Business Improvement District was created for the purpose of planning, designing, acquiring, constructing, operating & maintaining a public transit service; developing plans and recommendations to state and local governments for programs and projects to alleviate traffic congestions and beautify the corridors within the District; developing plans and recommendations to state and local governments for other physical improvements and programs needed to foster mobility and safety within the District; and implementing marketing, promotion, and public safety programs to benefit the District.

These initiatives are funded by three separate taxing units (MSTU's) through Orange County and the City of Orlando.

The District represents \$12.6 Billion in Gross Taxable Land Value on the 2023 tax roll according to the Orange County Property Appraisers report. This represents 6.2% of all taxable value in Orange County.

MSTU 1

Master Administrative Fund #1177

Consists of 6,000+ acres located within the specified boundaries noted on the map. There is a 0.3 mill cap on this taxing unit. All revenues from this taxing unit support the administration, planning and public safety requirements that are necessary to implement the objectives for the entire District.

MSTU 2

Bus Service Area Fund #1178

This taxing unit consists of 4,000+ acres located within the MSTU 1 Master boundaries. There is a 1.0 mill cap on this taxing unit. All revenues from this taxing unit support transportation improvements, capital improvements, destination marketing/advertising, operating a specialized rubber tire trolley service and install/maintain transit stop amenities.

MSTU 3

North International Drive Improvement Fund #1179

This taxing unit is solely dedicated for the purpose of improving and beautifying this particular segment of International Drive, which is located within the MSTU 1 Master boundaries. This taxing unit acts as a quasi property owners association by implementing and administering landscape and maintenance programs. There is a 0.2 mill cap on this taxing unit.

Economic Impact Analysis Report

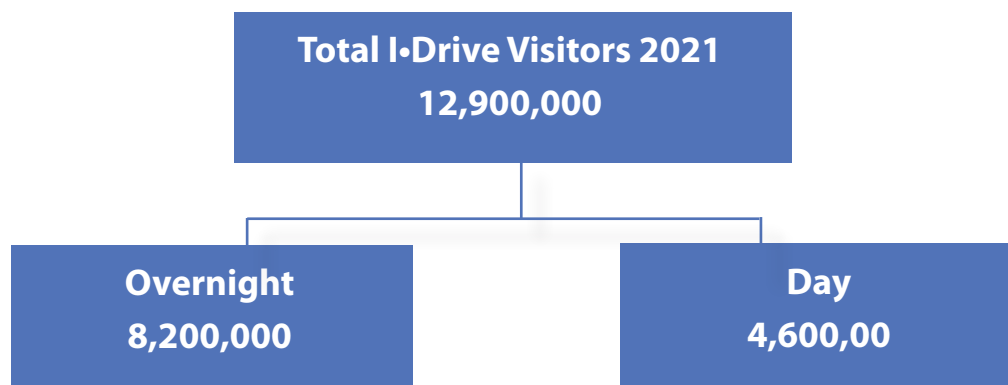

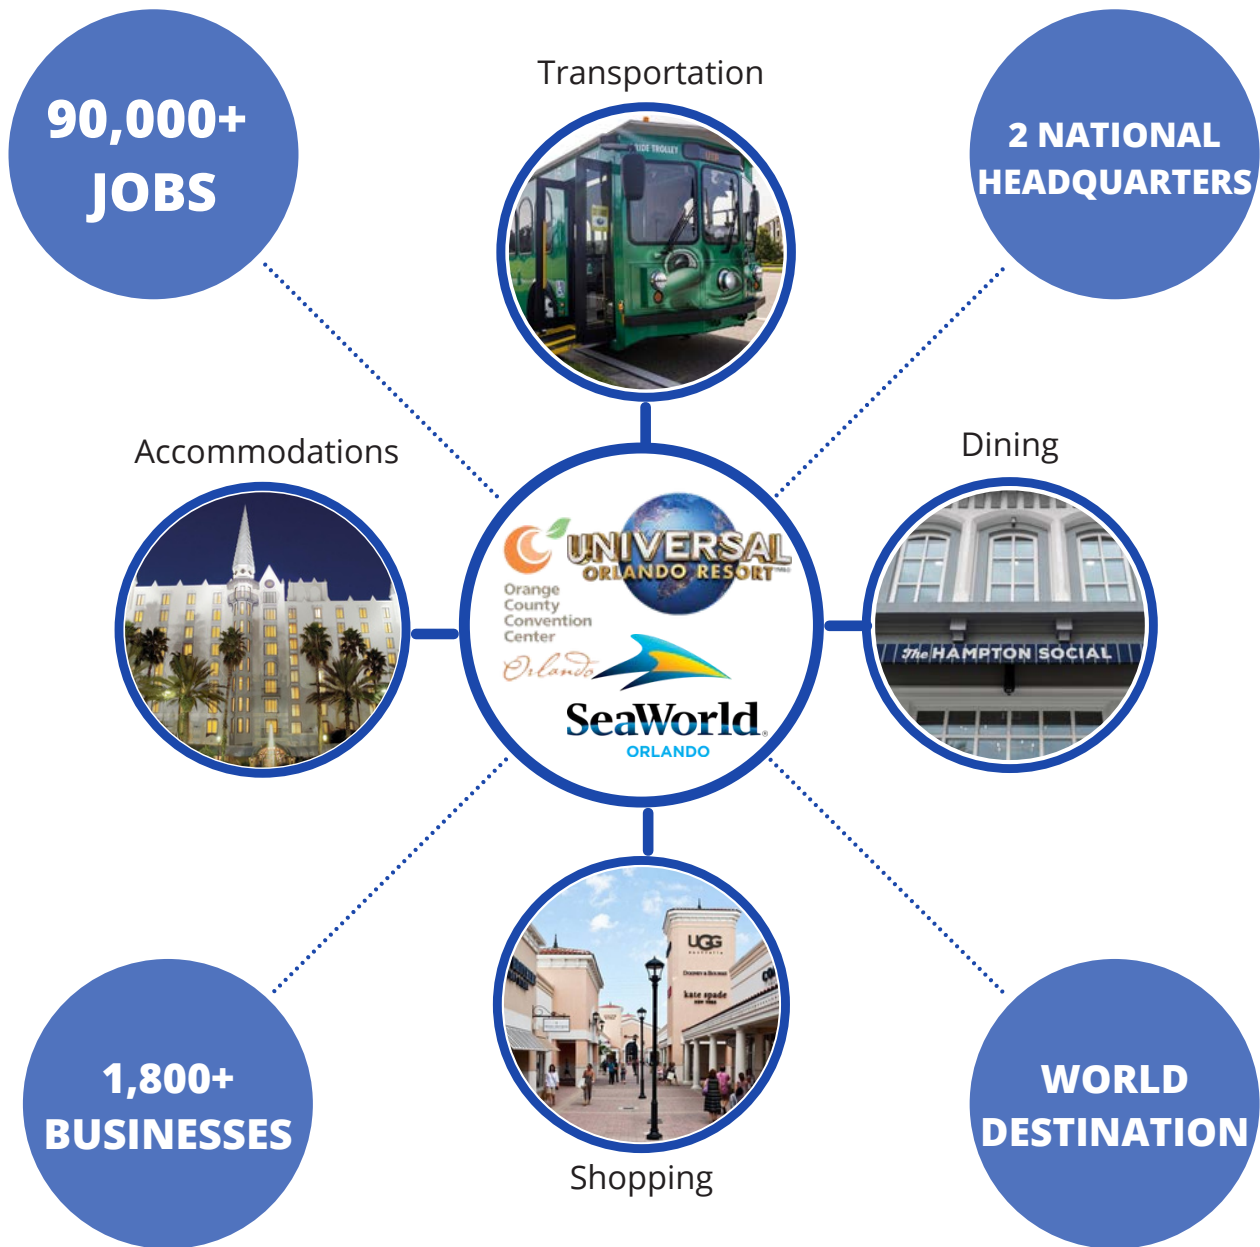

International Drive is globally recognized as one of the premier destinations in the world. With a wide array of world class hotels, resorts, theme parks, attractions, convention center, restaurants, retail and other amenities we can provide our visitors with a first-class experience. As the International Drive corridor continues on its path of robust tourism development, there are many areas that impact our economy that are less well known or even reported on. With this in mind, the Advisory Board approved the commission of the FIRST EVER Economic Impact Analysis study for International Drive in 2014.

Below are just a few facts from the 2021 report:

- First of its kind analysis completed by the District
- 12.9 million overnight & day visitors.
- Total assessed value \$13.9 billion
- Property taxes were \$220 million
- Sales tax collected \$362 million
- TDT collections were \$83 million
- Visitors spent \$5.6 billion
- 90,000+ full, part-time & seasonal jobs in 2021
- 135 properties – 54,293 individual accommodations
- 1,800 individual businesses in 2021
- 68.7 million square feet of Commercial Space
- Home to 27,577 residents housed in 13,344 units
- Home to the one of the nation's largest convention center - the Orange County Convention Center (occc.net) and the Rosen College of Hospitality Management (hospitality.ucf.edu)

International Drive Study Area Industry Cluster

I•RIDE Trolley Route

With 100 fun stops visitors can easily hop on board the I•RIDE Trolley for the fun way to get around International Drive. Stops are situated up and down the main thoroughfares and trolleys come along every 30 minutes or so, starting at 8:00am up to 10:30pm. For a convenient and economical alternative, Unlimited Ride Passes are available and can be purchased online or at numerous locations around International Drive.

The I•RIDE Trolley services SeaWorld and Aquatica, not to mention attractions such as Fun Spot America, Ripley's Believe it Or Not!, and WonderWorks. All major shopping areas are also covered, along with the Orange County Convention Center, making it the perfect way for visitors to get around during their leisure time.

Red Line

The Red Line Trolley route services the International Drive both north and south bound. There are 70 convenient Red Line Trolley stops and trolleys arrive at each stop approximately every 20 minutes.

Green Line

The Green Line Trolley route is the counterpart service to the Red Line Trolley route servicing Major, Universal and Westwood Boulevards. There are 52 Green Line stops and trolleys arrive at each stop approximately every 60 minutes.

Transfers

Trolley transfers are FREE. Passengers can easily transfer between the Red and Green Lines at transfer stops represented as stars. Passengers must ask the trolley driver for a transfer ticket when exiting at a transfer stop. A transfer ticket is not needed if using an Unlimited Ride Pass.

On both the **Red Line** and **Green Line** you can transfer at:

South bound ★1★21★28★38 North bound ★1★21★28★38

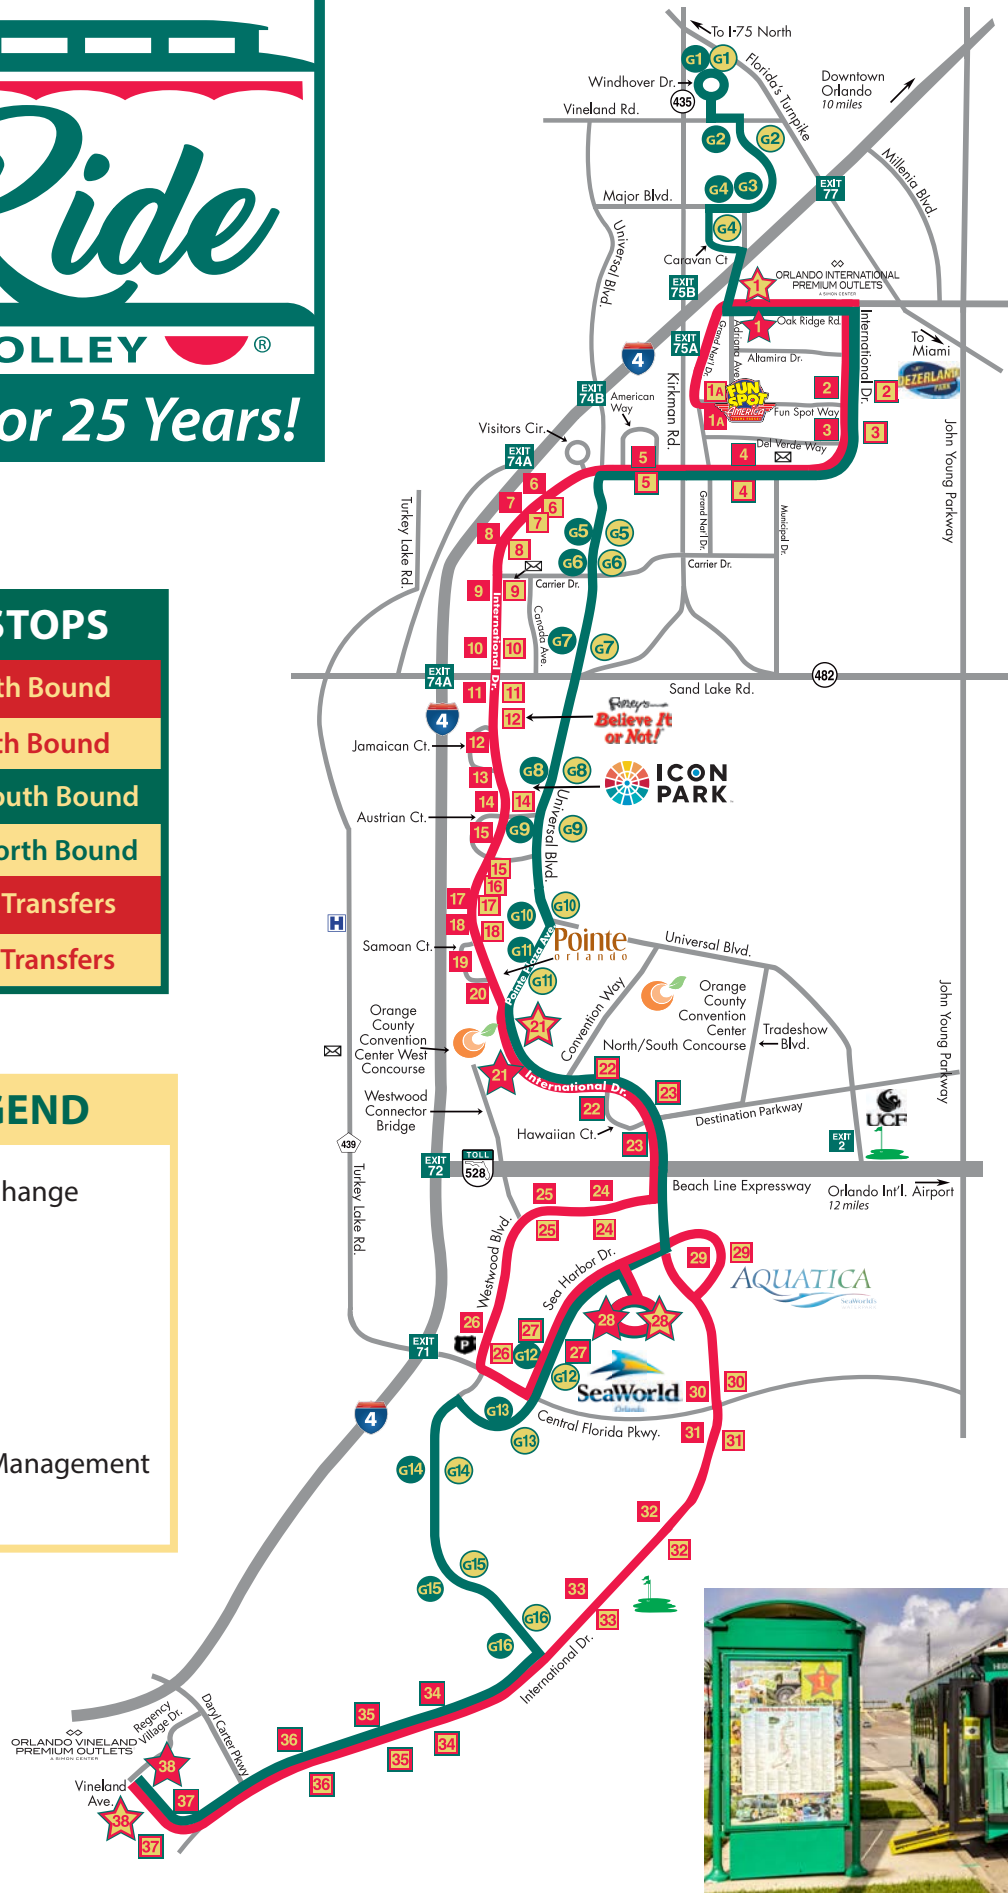

Navigating the International Drive area has never been easier by simply using any mobile device to view route maps and get predicted trolley arrival times. Viewpoint with Dennis Quaid -

The District was approached to be included in a new docuseries for Public National Television called "Viewpoint with Dennis Quaid". This short-film series will air in all 50 states to show viewers what there is to do that is fun and educational in each state. For the state of Florida, International Drive was chosen and we had the honor to write the script along with producers. On July 21st, the District hosted the film crew to interview some of our stakeholders and Luann Brooks on the many faces of our diverse district. On January 16, 2023, this docuseries was distributed to 170 Public Television stations throughout the U.S. for their use as interstitial programming for one full year.

I-Drive District Transportation Projects Update Webinar

September 29, 2021

A 1-hour virtual session about transportation projects and initiatives that will impact the I-Drive District and the entire International Drive area in the near future. Representatives from Orange County and the Department of Transportation covered topics such as the I-Drive Transit Lanes, I-Drive Premium Transit System, Improvements to Sand Lake Road, the I-4 Interchange and more. The webinar was free and presented in cooperation with the I-Drive District, FDOT, Orange TV and Orange County.

Official I-Drive District Holiday Tree Lighting 2022

December 1, 2022

The best way to kick-off the holiday season is with the Official I-Drive Holiday Tree Lighting Ceremony! Hosted by the District and located at ICON Park, entertainment included the Dr. Phillips High School Dance in Motion Company and Grammy nominated singers from Prodigy Talent Group. The 50 ft. holiday tree was lit by local celebrities and the Grinch himself. Captain Ken Chapman, from the Orlando Salvation Army, received the donation checks from the I-Drive District and Mears Transportation.

Florida Citrus Sports - Cheez-It Bowl & Cheez-It Citrus Bowl

December 28, 2022- January 2, 2023

International Drive was once again the focus of the entire country by hosting the Orlando Fan Events at Pointe Orlando, leading up to the two Florida Citrus Sports games: the Cheez-It Bowl on December 29, 2022 and the Cheez-It Citrus Bowl on January 2, 2023. The District was a proud sponsor of these events. Over 91,000 fans attended across all events.

FusionFest 2021

November 27-28, 2021

The District participated as a sponsor at Downtown Orlando's annual celebration of the many cultures that make Central Florida awesome. Over 5,500 people were in attendance to experience Music, Dance, Food, Visual Arts, Spoken Word, Games and Interactive Activities.

Fore! Children Celebrity Golf Tournament Hosted By Commissioner Burns, District 6

October 29, 2021

Fun was had by all as the District participated as a sponsor of Commissioner Burns' first annual Fore! Children Celebrity Golf Tournament at Hawk's Landing Golf Club at Orlando World Center Marriott.

Salvation Army Angel Tree Program

The Salvation Army has been supporting those in need since 1865. The Angel Tree Program is a nationally recognized program that provides new clothing or toys for under privileged children.

The District has participated in the annual Salvation Army Angel Tree program for 22 years. Our first year, the District staff adopted 25 Angels. In 2019 (pre-COVID 19), through the generosity of 100+ area businesses and individuals over 900 Angels were adopted, plus bikes and cash donations. In 2022, we were able to return to this program with our partners and added our first annual Sock Drive with over 2,000 pairs of socks donated.

Public Safety Programs

Tourist Oriented Policing Squads (TOPS)

One of the world's top tourist and meeting destinations, International Drive, continues with enhanced support of its highly successful prototype safety program, which began in 2007. The District partnered with the Orange County Sheriff's Office and the Orlando Police Department to provide "enhanced" safety patrols throughout International Drive, seven days a week.

This proactive approach to public safety means an increased presence of bike patrols, marked cars and deputies on foot throughout the area. Ten additional deputies, specially trained for this program, are on duty for extended hours, seven days a week. The TOPS program serves as a model for other law enforcement agencies and communities. The TOPS deputies also offer various crime prevention programs and seminars in their commitment to enhance the safety of the International Drive area through increased visibility, communication and partnerships.

100% of the funding for TOPS Program is contributed from the District's special assessment program.

The District also partners with the Orlando Police Department by hiring off duty officers to patrol the area along International Drive within the City limits.

Both programs have been highly successful in deterring crime in the area. This safety initiative provides enhanced services to the 12.9 million visitors (2021) and more than 90,000 employees (2021) that work in the area each day.

I-Drive District Clean Team

The District Clean Team was created in 2008 to help keep the International Drive area a clean, safe and enjoyable place for all.

- Four part-time staff members patrol the 11- mile stretch of International Drive, seven days a week
- Maintain 100+ trolley stops including: daily trash collection, cleaning & maintaining amenities
- Pressure wash all trolley stops annually
- Maintain the Lynx Art Shelter specialty stops (major clean every 6 months)
- Assist with debris collection and minor landscaping within pedestrian/public areas as needed
- Report any road, traffic or signage issues, potholes, and code violations to the District. The information is then passed on to the proper local authorities for handling (Orange County, City of Orlando, or FDOT).

Pedicab Operations within the I-Drive District

In October 2017, Orange County created Pedicab Ordinance No. 2017-17 went into effect on January 1, 2018. The ordinance was enacted in order to control & monitor the use of pedicabs within the area. The District is the Administrator to Orange County for this program. Included in the ordinance is a list of operating requirements and restrictions for both the Owner and the Driver. See ordinance for details.

The ordinance requires all owner operators to apply for a decal (per pedicab) and also submit to a background check in order to operate within the area. All pedicab vehicles are thoroughly inspected by the District staff including a checklist of items such as condition of tires, check for working brakes and lights, condition of the mounted seats, display of rates being charged and proof of insurance. Each owner operator must carry insurance at minimum of \$1,000,000 per occurrence and \$2,000,000 in the aggregate.

In 2022, the District issued 50 pedicab driver permits and inspected 52 pedicabs in order to be granted a pedicab owner decal.

International Drive Art Projects

Art on International Drive - The Traffic Control Art Box Program

Sponsored by Orange County, the ETC Stakeholder Group and the I-Drive District, this program is geared towards beautification and prevention of vandalism on International Drive. It is a project that uses private donations and sponsorships for funding. The art was completed by UCF students who are part of the AD Lab (Advanced Design Lab Division) at UCF for phase one. As the program expands more artists and schools will be brought in to participate in the program. The International Drive Art Program committee conducted a thorough design completion in early 2010. The committee had participants from the ETC, OCCC, OCSO, City of Orlando, Orange County Public Works and the District.

These boxes are along International Drive from Universal Boulevard to Central Florida Parkway with 14 beautified traffic control boxes.

International Drive Business Improvement District Accomplishments since 1992

- Develop the first International Drive Resort Area destination logo & branding concepts.
- Plan, design & operate the first exclusive transit service – I•RIDE Trolley Service.
- Plan, design, construct & maintain all transit stop amenities that support the Trolley Service.
- Developed and continue to publish the first and only Official Visitors Guide for International Drive.
- Developed and continue to publish the first I•RIDE Trolley coupon map.
- Developed and continue to administer the first of their kind websites, solely dedicated to International Drive - InternationalDriveOrlando.com, IRideTrolley.com, and IDriveDistrict.com
- Established the first toll free-phone number for visitor information - 1-866-243-7483.
- Installed new & wider sidewalks, new landscaping and irrigation within the public right of way along International Drive from Sand Lake Road to Kirkman Road. This project was completed in 2004 through a joint partnership agreement with Orange County and the International Drive CRA.
- Installed 13 NEW destination directional signs along the I-4 corridor from the Florida Turnpike to the Beachline. This project was completed in 2003 through a joint partnership agreement with the Florida Department of Transportation.
- Planned and organized several, first of its kind, cause marketing driven events that benefit our community. (examples are the Travel Around I-Drive and the Salvation Army Angel Tree program).
- Developed, funded and continue to administer the first ever dedicated public safety program for International Drive (TOPS).
- Developed and continue to administer the first ever Clean Team program for International Drive.
- Developed the first ever mobi site for International Drive (iDrive2go.mobi).
- Developed and continue to administer the first ever automated vehicle location service (AVLS) for tracking the I•RIDE Trolley system.

- Responsible for installation of Holiday Pole Decor and the Official Holiday Tree on International Drive.
- Partnered with Orange TV to produce three segments dedicated to telling the story and history of the International Drive Resort Area.
- Developed partnership advertising thru Visit Orlando, Visit Florida and Bright House Networks along with other key publications to promote our tourist corridor.
- Partner with the Florida Citrus Sports Association to bring several of the events for the annual bowl games to our area (previously held outside the corridor).
- Developed the first ever comprehensive International Drive Business Improvement District Development Update. Includes a geographic map and supporting presentation with materials. Updated monthly. (see page 35)
- Organized the removal of all illegal magazine racks within the public right-of-way.
- Installed retaining walls along North International Drive for safety and beautification purposes.
- Ongoing coordination with County and City Staff regarding overall improvements needed and code enforcement issues within our area.
- Participated in the CFHLA Adopt-a-School program.
- Participated in the I-Drive Chamber Tourism Leadership program as a sponsor and presenter on Transportation Day and Government Day.
- Ongoing presentations with individual District Partners and industry organizations to share the story of the International Drive Business Improvement District.
- Responsible for removing the old “Ramada Inn” eye sore sign at International Drive and Sand Lake Road.
- Coordinated with the city and business owners for the North International Drive Improvement Project including bus lanes, bike lanes, paving improvements and landscaping. Completed December 2014.
- Commissioned the first ever Economic Impact Analysis study for the International Drive Area. Updated annually.
- Joined the Google Transit Partner Program, a public transportation planning tool that integrates the I-RIDE routes with the power of Google maps. Provides scheduled arrival time for each stop as well as trip planning.
- Partnered with Orange County, Florida Department of Transportation and Orange TV create and administer the first ever I-Drive Transportation Webinar.
- Developed and administer the “I-Drive Living Campaign”, a resident resource to stay connected to what’s happening on International Drive and to enable District Partners to connect directly to residents. This is done through the dedicated website IDriveLiving.com, social media, e-newsletters and on-site events.
